GENERAL

Today's word of the day: hornswoggle

To hornswoggle someone is to trick or deceive them.

Seniors: You should have received an email from Mrs. Dean to submit your Senior quote for the yearbook. Check your email and complete the form. Your responses are due by February 6th. If you have any questions, reach out to Mrs. Dean in the main office. Happy quoting!

The MHS Theater department is pleased to announce that this year's play will be:

"Almost, Maine!"

This play, a personal favorite of Mr. Frank's depicts a cold, clear Friday night in the middle of winter in the town of Almost, Maine. Almost's residents find themselves falling in and out of love in the strangest of ways. It is funny, clever, and moving with a touch of magical realism

Auditions for this play will begin during SEMINAR on THURSDAY February 5th, and FRIDAY February 6th. They will end after school both days at 3:30pm. If you can, please plan on staying after school for the full audition time!

Be sure to sign up on the Bulletin Board outside of Mr. Frank's room to be excused from SEMINAR! No previous stage experience is needed, and we hope to see you there!

Seniors, this year prom will be on April 25th, with the theme of...RIO! Prom will take place at the Dance Hall at Double JJ Ranch in Rothbury. More details will come throughout the next few months.

See Mrs. LaBean or any member of the prom committee for details.

Beginning sometime this upcoming weekend, you will need to change your Google account password. You will get a prompt that asks for a new password. This password needs to contain letters, numbers or symbols. Do not use your name, student number, phone number or birthdate in the password. Avoid simple passwords such as "password123" or something that can be easily guessed. While there is a minimum need of eight characters, longer passwords are better. With this change, you will have the ability to change your password when needed. Note that this change affects only your Google account. It does not affect checking your grades in PowerSchool or other program passwords. Be thinking about what you might want your password to be when this change is made.
