GENERAL

TODAY'S WORD OF THE DAY:

Tactile

Tactile typically describes something, such as a sensation or experience, relating to the sense of touch. It can also be used specifically to describe something that is perceptible by touch.

Reminder to CTC Students: You should NOT have your phone out inside the building before leaving for CTC. Staff can still take your phone and you will be written up. You are NOT exempt from the school policy on cell phones.

If you didn't get a pink out shirt for the game tonight, there will be a limited amount for sale during lunches today for \$12 each.
