What a snowy start to the semester it has been! The snow days last week certainly made for a slow transition into the second semester. Please continue to support your student academically. This is a fresh start for grades and we will continue to offer supports in the way of success coaching (please reach out fo a teacher if you would like your student to receive this support) and after school tutoring (Mon/Tues/Thurs in the library for an hour).

FFA, Quiz Bowl, Winter sports, and Chess Club are all very busy right now. Please check out the MHS Calendar linked below to stop out and watch our Wildcats in action!

With winter heavily upon us, please encourage your drivers to leave EXTRA early on these snowy roads. We often excuse tardies when the weather is bad, but it is looking like we will have snow on our roads for awhile. Five minutes in the morning should do it for most of our latecomers!

We are looking to add a few fun activities for students during lunch throughout the winter months. If you are interested in donating, please check out the following link: [Wish List](#)

Important Dates:

Mid-Winter
Break - No

Thank you to
our FFA
advisors for all
their work to put
on districts this
week!
